**We recommend you  
do make reservations  
for the more popular  
restaurants, that's why  
we've provided  
telephone numbers.  
Please show your  
discount card when  
you ask for the bill, not  
after they've brought it  
to you! If the service is  
good, 15% is about  
right for the tip. If it**

more never hurt

will not work if there is  
a special promotion on

it is a special holiday,

Please tell us  
Immediately
